

GARDEN GAZETTE
DECEMBER 2020

As we enter this holiday season, there has been so much uncertainty. We, also, have had struggles to accomplish our daily tasks for each one of you. We pray soon this pandemic will be over and we can go back to our daily lives. We must hold onto Hope.

- 1.If you feel like you cannot move forward or backwards, always look at what has made you stranded and use it as a vessel to move forward.
- 2 In hard times, when you feel like you can't find hope, always remember hope is within your heart.
- 3.If you believe in yourself, hope will always be in you.
- 4.Your mind might tell you there is no hope, but your heart will always keep on pushing you to move forward.
- 5.Everyone you see enjoying the fruits of success started with hope.
- 6.Get rid of any fear within, fear is a hindrance for you not to hope and believe in yourself. Anything that you see is impossible right now is very possible.
7. Hope is all you need, even if things don't go the way you want, you will still be happy.

HAPPY HOLIDAYS

STAFF

The maintenance staff will wear protective masks and gloves while responding to work order requests at your apartment. The tenant must go to another room while staff is present. If you refuse to follow these instructions maintenance must leave, without completing the work.

This is for your protection and the protection of our staff.

All maintenance requests should be called in to maintenance.
