TIPS WHEN PAYING YOUR RENT

Be sure your correct address is on the check or money order, to ensure the payment is posted to the correct account.

Try not to wrinkle, fold or tear payment, in any way. If the scanner can't read the document, it can't be deposited, and you will be asked to resubmit the payment.

The maintenance staff will wear protective masks and gloves while responding to work order requests at your apartment. The tenant must go to another room while staff is present. If you refuse to follow these instructions maintenance must leave, without completing the work.

This is for your protection and the protection of our staff.
